Sub: Establishment - Temporary staff deputed to C.P. & Berar- Full daily allowance for halts exceeding 10 days payment Sanction requested.

I submit that the Assistant Marketing Officer,Nagpur was till now attending to the procurement of Food grains to Madras from several provinces and states and therefore the loading stations were many which were far away from each other. The Marketing Assistants and the Grain Inspectors were attending to the work of inspecting quality supervising the work of inspecting agents and arranging wagons etc. and therefore they were not stationed at any particular place for more than 10 days hitherto.

2. Due to decontrol of pulses now there is only procurement of rice in C.P. and the major quanity of 1,00,000 maunds is being moved from Raigarh Railway Station. The work of all the staff is being concentrated at Raigarh. They have to attend to the drawing of samples, weighing, filling in bags etc.upto loading into wagons. These items were being attended to by the Inspecting agents but now our staff are attending to the same and therefore they have to remain at Raigarh till the entire procurement work is finished. Marketing Assistants, Grain Inspectors and Checking Inspectors have to remain at Raigarh for more than 10 days in the interest of Government work and therefore, they should be paid daily allowance at full rates for the entire period of their stay as otherwise they will be put to much financial hardship. For instance the checking Inspectors are getting a daily allowance of Rs.0-12-0 which is not sufficient even for a single meal. The same is the case of other staff also.

. p.t.o

3. I submit that it is not possible to fix their headquarters of the staff at any central place because they have to be always moving from place to place according to work on hand. After the work at Raigarh the entire staff will be switched on to the Kanker State work where they will have to remain till the despatches of 1500 tons of paddy are completed. I therefore submit that the Government sanction may kindly be obtained for paying daily allowance at full rates to my staff for halts even if they exceed 10 days.

4. As the Travelling Allowance of the staff has to be drawn for May 1948, early orders may kindly be passed.

The following members of the staff were in camp for more than 10 days at a time during the periods shown:-

From the above statement it would bee seen that the entire staff will have to be in camp for more than 10 days at a time. As of late the number of Centres has been minimised the entire staff has to be kept in one place to attend to the weighing etc. Further it cannot be particularly stated as to who will be remaining at once place for more than ten days at a time. Hence it is requested that a General Permission may kindly be obtained from the Government allowing the staff working under me to draw

draw the daily allowance at full rates whenever and wherever exceed the limit of 10 days halt just as sanction was accorded to the staff under the Asst. Marketing Officer, deputed to ~~M~~R U.P. and Behar in G.O.Ms.No.677, Development, dated 17-2-1945.

The Checking Inspectors shown in the statement have to be discharged by the end of this month and their pay and allowances will have to be paid to them. I therefore request that early orders may kindly be issued.
